## Carbide Grit Hole Saws

Use These In  
**SDS Hammer Drills!!!!**

Will Cut Through Concrete Block  
Like Butter!

Carbide-Tipped  
Pilot Drill

HSS Pilot Drill

Also offers superior cuts in Concrete Paving, Brick, Dry Wall, Tiles, Wood, Cement Board, Fiber Cement Siding, Fiber Glass and Carbon Reinforced Plastics. Blades have long life (no teeth to break) and smoother, vibration free, cutting action.

Both standard and **SDS Arbors** available with Carbide Tipped or HSS Pilot Drills.
